

We're proud to call Cambridge home,
and while we work with companies across Canada and Internationally,
we've probably worked with at least one of your neighbours.

Design

An idea is a starting point, and whether you come to us with one or for one, it must move from a concept to reality. We're here to help communicate or bring that idea to life, whatever the message, whatever the media.

Web

Our philosophy for a successful web project is relatively simple; beyond good design and good coding, it has to work for you. Which means we have to work with you, getting to know your organization and audience before presenting a strategic plan that fits your goals.

- CONTENT MANAGEMENT
- RESPONSIVE WEB DESIGN
- HOSTING
- E-COMMERCE
- CUSTOM SOLUTIONS
- PARALLAX

Photo

LDM began as a photo studio and has long since been providing professional, creative, high quality images, even as we take on new and exciting projects. On location or in the studio, product, architecture, people or food, we'll work with you to capture stunning imagery.

Video

If a picture's worth a thousand words... well, you get the point. Video is cool and engaging and can have a lasting impact. Video brings together so many creative and technical elements, and offers such a truly dynamic communication experience, it's no wonder we love them!
